

Gun Procedures for Consignors & Buyers

Consignors:

If you wish to consign a gun/guns, please verify that all of the firearms are unloaded and bring items to the 443 Executive Center at 1811 N Market St, Sparta. Any unlawful or banned guns cannot be accepted. You will need to fill out a Consignment Contract and allow us to gather information and take pictures of your item. Please bring your state issued driver's license or ID and Foid card. From there, a team member will deliver the gun to be held with Mud Creek Guns and Ammo which is located at 1558 Goldenrod Rd, Coulterville, IL 62237. Any extras that will sell with the gun such as ammo, interchangeable parts or features, extra carrying cases, etc. will remain at the 443 Executive Center. Some firearms may not be able to be held at Mud Creek Guns and Ammo, in which case the auctioneer will hold the guns in a safe off-premises. **No firearms will be held at the 443 Executive Center.** Viewing will be done at Mud Creek Guns and Ammo or by appointment with Auctioneer Brad Chandler, details in "Item Location" tab..

If your gun is a No-Sale, item must be picked up from Mud Creek Guns and Ammo within 3 business days. Because they have to register items into their facility, a 3 day waiting period and service fee will still be required to pick up a gun that did not sell.

Buyers:

If you were the winning bidder on a gun, and it met reserve, a member of the Property Peddler Team will be reaching out to you. Illinois law requires a 72 hr. waiting period before you are able to have the gun transferred into your name. Property Peddler Inc. will send your information to the owner of Mud Creek Guns and Ammo, however the 72 hour countdown begins when you fill out your paperwork with the FFL and present your FOID card & paid receipt from Property Peddler Inc. to them.

Buyers are responsible for the Transferring Fee of \$35.00 each (for first 2 transactions, \$15 each after that, within the same day's sale) paid to Specogni's.

Out-of-State Buyers: Laws vary if you live outside of Illinois. Before bidding contact Marcy Specogni of Mud Creek Guns and Ammo at 618-559-7849 to determine what regulations will be followed and how much transferring fees will be if you win the firearm.

Previewing: The viewing location of firearms will be either at Mud Creek Guns and Ammo (see location and operating hours below) or at a meeting location pre-arranged with the Auctioneer. Each lot on the auction has a tab to view the Item Location. If unsure, or if interested in scheduling a meet time, contact Auctioneer Brad Chandler at 618-791-3289, or Tori Leggans at 618-473-2500.
