- **Soft Close:** Bidding will enter a "soft close" 5 minutes before the lot's scheduled end. The soft close extends bidding by 5 minutes each time a new bid is placed during the final 5 minutes. This cycle will continue until no bids are placed for 5 minutes, ensuring all bidders have a fair chance to submit their offers.
- **Max Bidding:** You may enter your maximum bid at any time. If a lower max bid is in place, your bid will immediately jump to the next increment higher than the existing max bid. In the event of a tie with another max bid, priority is given to the bid entered first. Your bidding screen will display a GREEN outline, or the phrase "you" next to your bidder number if you are the leading bidder. A RED outline indicates you have been outbid.

Note: Refresh your bidding screen frequently to avoid internet delays that could misrepresent the bidding status. If you're unsure about your internet connection, please make arrangements to bid from one of our offices by contacting the auctioneer.

Registration: We recommend being registered to bid at least 24 hours before the auction closes. If you have questions, please call us at 618-473-2500. Additionally, Property Peddler requires a copy of a state ID, which can be emailed to info@propertypeddler.com or will be requested before bidding approval. Closing Costs: The buyer is responsible for the purchase price, plus customary closing costs, including but not limited to escrow fees, recording fees, and prorations.
