

Sale Name: March 2023 Consignment Auction

LOT 104 - 500 Gal. Propane Tank

Description

Seller bought a piece of land with the tank on it. They filled it with air and checked for leaks, he doesn't believe it has any leaks. Then inquired with Gateway FS and was told it would be up to the individual gas company whether or not they would fill it. The gauges do work per seller. Vapor only- No liquid discharge.
